Ref 45171

Description

Make	Volkswagen
Model	Golf
Description	1.5 eTSI EVO2 116 DSG7 Life Plus
Mileage	6 km
Type	Passenger car
Body type	Sedan
Doors	5
Seats	5
Exterior color	Blue
Interior color	Other
Upholstery	Other

Technical

Fuel type	Hybrid Electric/Gasoline		
Gearbox	Automatic	Gears	7
Cylinder capacity	1498 cc	Cylinders	4
Power KW	85 kw	Horse power	116 hp
Drive train	Front		

Dimensions

Weight empty	1332 kg	Weight max	3140 kg
Wheelbase	2620 cm	Length	4282 cm
Height	1483 cm	Width	1789 cm

Equipment

2/3-1/3 folding rear bench seat with ski hatch	Height-adjustable 3-point automatic front seat belts with pretensioners
Electromechanical parking brake with Auto Hold function and hill-start assist	ESP electronic stability program, emergency brake booster, ABS anti-lock braking system, EDS electronic differential lock, EBV electronic brake force distribution, ASR electronic traction control, MSR electronic torque control and countersteering assistance
Automatic activation of the hazard warning signal in the event of emergency braking	LED rear license plate illumination
Exterior ambient lighting, illuminated door handles and perimeter lighting with logo projection	XDS: system acting as an electronic limited-slip differential, for improved traction in curves thanks to optimum distribution of power and torque to the front wheels
Traction control system (TCS)	Cross Traffic Alert': an intersection assistant that detects vehicles travelling at right angles to you and warns you with a visual and audible signal. It can initiate emergency braking to lessen the impact of a collision, or even better, avoid it. (Driving assistance systems do not exempt the driver from being vigilant).
Height-adjustable front comfort seats	e - Call: manual or automatic emergency call
Front Assist - perimeter surveillance system with city emergency braking and pedestrian detection functions	Central locking with radio-frequency remote control via retractable key
18" 'Leeds' light-alloy wheels with 225/40 R18 tires (PJ5)	Driver and passenger front airbags (passenger airbag deactivatable)
Headlamp location adjustment	Folding rear center armrest with 2 beverage holders
Induction charger	Body-color exterior mirror caps

100% LED headlamps (headlamps, front daytime running lights, rear lights)

Comfort Pack with Park Assist Pro - Keyless Access locking and starting system with safelock, - Anti-theft alarm - Park Assist Pro - Car2x technology: Anti-theft alarm Keyless Access locking and starting system (with safelock) Car2X technology: uses information from other vehicles within a radius of up to 800 meters, as well as transport infrastructure signals, to warn the driver and transmit these warnings to other vehicles equipped with Car2X Park Assist Pro function

10-color ambient lighting

Rear View" rear-view camera with display of the area behind the vehicle on the radio or navigation screen

Height-adjustable front headrests

Digital radio reception (DAB+)

Outside temperature gauge with frost warning system

Head airbags for front and rear passengers

Space-saving spare wheel with jack

Anti-multi-collision braking system: this device automatically brakes the vehicle after an initial impact to limit the risk of multi-collision.

Park Pilot: front/rear parking assistance system with audible signals and on-screen display of obstacle distance

Digital Cockpit Pro: digital instrument cluster with high-resolution 10.25" digital display

12 V socket in trunk

Rear fog lights on one side, reversing lights on both sides

Lane Assist: lane-keeping assistant

Removable luggage cover

Foam and fabric door and side trim

Tinted rear windows

Height-adjustable rear headrests

Chrome trim for window, mirror and air vent controls

Start/Stop system with brake energy recovery system

Exterior mirrors with memory function, electric folding/adjustment and separate defrosting

Adjustable front lumbar supports

Tire pressure loss warning

Fatigue Detection: a driver fatigue detection system that analyzes driver behavior and recommends a rest period through a visual and audible message.

2 USB-C charging sockets behind armrest for rear passengers

Additional pedestrian protection measures	Adaptive Cruise Control (ACC) with speed limiter uses radar to detect vehicles ahead within the system's limits, and maintains distance by applying the brakes and gas pedal (active regulation, from 0 to 210 km/h; until the vehicle comes to a halt). The driver can set the desired distance from other motorists.
Visibility Pack - Automatic headlamps with "Coming Home" and "Leaving Home" functions - Rain sensor with automatic wiper: Automatic headlamps with "Coming Home - Leaving Home" functions Rain sensor with automatic wiper	Wireless App-Connect display and control, via the vehicle's touchscreen, of content, functions and compatible applications present on the Smartphone (compatible with Apple CarPlay and Android Auto systems)
Illuminated vanity mirrors in sun visors	Sign Assist: traffic sign recognition and display on Digital Cockpit and radio navigation system screen
LED rear light	Preparation for VW Connect and VW Connect Plus
Body-color bumpers and door handles	Emergency call service
Immobilizer protection	Interior rearview mirror with automatic day/night adjustment
Winter package: Heated front seats Heated leather multifunction steering wheel with paddles Windshield washer level indicator	Maze" fabric upholstery
Metallic paintwork	Keyless GO" keyless start system
Automatic gearbox (DSG7)	Audible and visual warning for unfastened front and rear seat belts
Bluetooth telephone interface	Intermittent rear wiper and washer system
Height- and depth-adjustable front center armrest with storage compartment	ISOFIX lashing lugs (for attaching 2 child seats to the rear bench seat)
2 reading lights, front and rear	Air Care Climatronic" 3-zone air conditioning with anti-allergen filter and rear controls
Leather gear knob	Electric front/rear windows
2 front USB-C interfaces	Lane change assistant with 'Side Assist' blind spot sensors
Front side airbags
