Ref 53166

Description

Make	BMW
Model	X3
Description	20D XDRIVE 197 CH BVA8 M SPORT
Mileage	13940 km
Type	Passenger car
Body type	SUV / Off-Road
Doors	5
Seats	5
Exterior color	White
Interior color	Other
Upholstery	Other

Technical

Fuel type	Hybrid Electric/Diesel		
Gearbox	Automatic	Gears	8
Cylinder capacity	1995 cc	Cylinders	4
Power KW	145 kw	Horse power	198 hp
Drive train	AllWheel		

Dimensions

Weight empty	1965 kg	Weight max	5035 kg
Wheelbase	2865 cm	Length	4755 cm
Height	1660 cm	Width	1920 cm

Hybrid Electric/Diesel - Automatic - 13940km - 05/2025

Ref 53166

Equipment

Rain sensor and automatic headlamp activation	Suspension Sport Direct - Drive Firmer shock absorbers/springs, sportier vehicle behavior.
3-point seat belts on all seats	Active Guard Lane departure warning with steering impulse (>70km/h), Forward collision warning with braking intervention (3-210km/h), Intersection warning (detection of risk of side collision 3-85km/h), Pedestrian/cyclist presence warning when turning at an intersection (3-35km/h), Speed limit assistance with speed limit information.
M Sport interior elements	Warning triangle with first-aid kit
Shadow Line M high-gloss Black high-gloss equipment : A, B, C-pillars . Exterior side window frames. Mirror frames	BMW x - Drive Permanent all-wheel drive with variable torque distribution, Includes extended DSC functionality for traction distribution.
12V sockets in front center console and trunk	Premium package: Front seats with adjustable lumbar support Advanced Full LED headlamps Front and rear headlamps with enhanced design. All features use LED technology: Dynamic lighting with Full LED technology. Highway lighting function. Illumination function for bad weather. Headlamps with variable light distribution and permanent anti-dazzle high beam. Welcome lighting. Travel & Comfort multifunction travel system High-quality integrated brackets on front seats for attaching shelves, coat hangers, bag hooks, accessories etc., including an additional USB-C port on each front seat. Harman Kardon Hi-Fi system 750-watt digital amplifier with two individually adjustable presets and equalizer, speed-dependent volume increase to compensate for driving noise, Bass Performance PLUS with

	powerful subwoofer in the luggage compartment, 15 Harman Kardon speakers: 5 x tweeters (doors, center), 2 surround speakers (D-pillar), 5 mid-range speakers (dashboard, doors), 2 center bass, 1 subwoofer with double voice coil.
Personal e - SIM Personal e - SIM is the vehicle-integrated electronic version of the traditional SIM card. You use it via a subscription taken out with a telephone operator, turning your BMW into an additional mobile device: - 5G connectivity - Better connection quality thanks to the car's antennas - Wi-Fi hotspot connection with the possibility of connecting up to 10 devices (e.g. digital tablet, smartphone, computer, etc.)	Central locking of doors, trunk and fuel filler flap
Satin aluminum roof rails	ESP
Servotronic power steering	Central airbag (driver's seat)
My Modes: 5 driving modes (Personal, Efficient, Sport, Relax, Expressive)	Specific M Sport features
Luggage compartment: 2 bag hooks, net on left panel, 12V socket Additional storage (model-specific volume) under removable floor pan	Welcome lighting around the vehicle
BMW Curved Display	BMW Live Cockpit Navigation Plus with BMW Curved Display New BMW Operating System 9 with configurable variable widgets displaying real-time information, Remote Software Upgrade: update BMW software remotely, 4G LTE connectivity, Over the Air (Ot - A) navigation map data update, BMW Maps: new navigation system, simplified search, faster calculation, learning navigation.
Heated front seats Seat and backrest heating, center and sides. Three levels of adjustment.	Front head and rear side airbags
Body-color exterior mirrors	Anti-dazzle high beam
Twin - Power Turbo 4-cylinder diesel engine Turbocharger, Common Rail	Cruise control with braking function (downhill) and speed limiter

direct injection. Particle filter and oxidation catalytic converter. Catalytic reduction via Ad-Blue injection (SCR). 14L fuel tank.

Optional extras available via BMW Connected Drive: Driving Assistant Professional Active Cruise Control (30 to 180 km/h), Semi-automatic pilot, Lane Keeping Assistant (up to 210 km/h), Speed Limit Assist, Wrong-Way Traffic Alert, 3D visualization of the car's surroundings on the instrument cluster.

Side airbags for driver and front passenger

Driving Assistant Plus - on-demand function

Front center armrest with integrated control panel

Gold-colored decorative inserts on steering wheel and instrument panel

Drowsiness detection system (>70km/h) Analyzes driving style (steering corrections), Takes journey time into account, Active from 70km/h, Recommends taking a break.

Veganza" perforated leatherette upholstery

General Safety Regulation 2 (GSR2) standard

Anti-theft alarm Door, trunk and hood monitoring, passenger compartment protection, lift sensor and siren.

LED license plate illumination

40/20/40-split folding rear bench seat

Individual tire pressure measurement

Keyless start via Start/Stop button

ISOFIX / i-Size mountings for both outer rear seats

Rear center armrest

De-icing exterior mirrors

BMW Digital" connected services
Navigation: Real-time traffic information RTTI (information on active route only), map streaming (updates no longer required) -
Connected Charging (for i - X1) -
Apple CarPlay - Android Auto - BMW Intelligent Personal Assistant -
Amazon Alexa - My Modes (Efficient, Personal, Sport) - "My BMW Remote" functions - e - Drive services (for X1 PHEV & i - X1) - Remote Software Update (RSU)

Front airbags for driver and front passenger

ABS, including emergency brake assist	Impact sensors - Activation of airbag, hazard lights, interior lighting - Door unlocking - Activation of safety battery terminal
Electric front windows	3rd LED brake light integrated into rear hatch
DAB tuner	Airbag between the two front seats in the event of side impact
Leather-wrapped M steering wheel with three-spoke gearshift paddles. Black 'Walknappa' leather rim, pearl matte chrome inserts and thumb rest in steering wheel. M logo on steering wheel base.	BMW Efficient - Dynamics Servotronic electric power steering (speed-dependent power assistance), Automatic engine stop and restart function, Brake energy recovery system.
Non-visible exhaust tailpipe	Lighting kit Courtesy lamps, Front and rear cabin lighting, Courtesy mirror lighting, Central reading lamps, Luggage compartment lighting on one side. Courtesy lamps Courtesy mirror lighting Central reading lamps Front and rear cabin lighting Luggage compartment lighting on one side.
Integrated owner's manual and electronic service history with BMW Service History	19" light-alloy wheels style 1035M Two-tone 8.5 J x 19 / tires 245/50 R 19, Dark gray, Two-tone, Snow chains cannot be fitted, With anti-theft nuts.
Plug&Charge functionality	Direct - Drive steering with variable transmission Increased sportiness without affecting everyday comfort: Direct, sporty turns thanks to reduced steering angle (improved kinematics and steering settings), Low steering effort at low speeds, e.g. when parking or maneuvering, Intuitive, easy driving behavior (optimized feedback), Adaptation of settings to different driving modes.
Electromechanical parking brake with "Automatic Hold" function	Power front seats with driver's memory Power seat adjustment: forward, height, seat tilt and back tilt, 2 seat memory positions, including memory for exterior mirrors, passenger-side exterior mirror with parking aid (curb-guide function engages when reverse gear is engaged)

M Sport exterior elements

LED rear lights with integrated indicators

BMW Digital (BMW Maps, RTTI on route, Apple CarPlay, Android Auto, BMW Intelligent Personal Assistant)

Comfort access with "BMW Digital Key Plus" preparation - Keyless opening and closing (4 doors and trunk) and starting - Home lighting when the driver is 2.5 m from the vehicle - Automatic unlocking from 0.5 m from the vehicle - Automatic locking when the driver is 3 m away from the vehicle

LED turn signals integrated into daytime running lights

Performance control: engine control and braking interventions for enhanced agility and cornering neutrality

On-board computer with Check-Control and outside temperature display

Driving Assistant A range of technologies for optimum safety: Blind spot warning (>20km/h with warning light and steering intervention), Rear-end collision warning (automatic triggering of warnings with doubled frequency), Exit warning (detects approaching objects (vehicle, cyclist) and alerts the driver or passengers when the door is opened if there is a risk of collision with the detected object). Rear cross-traffic alert

2 cup holders on center console

Dynamic Stability Control (DSC) with extended equipment Cornering Brake Control (CBC), Dynamic Brake Control (DBC), Trailer stabilization, Dynamic Traction Control (DTC), Dry braking, Hill-start assist, ABS - Anti-lock brake system.

Exterior mirrors with integrated turn signal indicators

BMW Mobility Kit Bottle of tire sealant - 12V electric compressor (connection to 12V socket): 12V electric compressor (connection to 12V socket) Bottle of tire sealant

Teinte de carrosserie unie

M Anthracite headlining

8-speed automatic gearbox with steering-wheel-mounted paddles 8-speed automatic gearbox with electronic gear selector and steering-wheel-mounted paddles.

Light hybridization (48V) Light hybridization recovers kinetic energy produced during braking and supports the combustion engine during acceleration. This technology reduces fuel consumption and emissions, while providing greater

Parking Assistant Front and rear parking radars, reversing camera, automatic maneuvering to park in a niche or in a battle, automatic braking function (PDC active) in reverse in the event of an obstacle during a parking maneuver performed manually by the driver (up to 5km/h), reverse assist.	dynamism. Lightweight hybridization also enables Start/Stop technology to operate more quickly and smoothly.
Height-adjustable front and rear headrests	Flush door handles
5 seats	Electrically folding exterior mirrors, electrochromic on driver's side
Sport front seats Sportier seat design with higher seat cheeks. Manually adjustable seat length.	Memory function (via Personal Profile), parking aid (right-hand mirror activated when reverse gear is engaged).
	Hi-Fi system 6 HP 100W
	Power front and rear windows with impulse control and child safety lock
