|                                                                                             |                                                                                                                                                                                                               |
|---------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Electric front/rear windows                                                                 | Bluetooth telephone interface with inductive charging function                                                                                                                                                |
| Front storage compartment and 12 V socket                                                   | Front side airbags                                                                                                                                                                                            |
| 2/3-1/3 folding rear bench seat with ski hatch                                              | Lane Assist: Lane departure warning system that corrects, within the limits of the system, the movement of the front steering wheel if the vehicle unintentionally crosses the lane markings.                 |
| Travel Assist driver's assistant                                                            | Electromechanical parking brake with Auto Hold function and hill-start assist                                                                                                                                 |
| LED rear lights                                                                             | Height and depth-adjustable steering wheel                                                                                                                                                                    |
| Exterior mirrors with memory function, electric folding/adjustment and separate defrosting  | Ambience Package: 30-color ambient lighting; LED floor lighting in the front                                                                                                                                  |
| Start-Stop" system with brake energy recovery system                                        | Adjustable front lumbar supports                                                                                                                                                                              |
| Rear view camera                                                                            | Tire pressure loss warning                                                                                                                                                                                    |
| Digital Cockpit Pro: digital instrument cluster with high-resolution 10.25" digital display | Height-adjustable front comfort seats                                                                                                                                                                         |
| 12 V socket in trunk                                                                        | Winter package: Heated front seats<br>Heated leather multifunction steering wheel                                                                                                                             |
| Multifunction leather steering wheel                                                        | Side Assist: Lane change assistant with blind spot detectors                                                                                                                                                  |
| Service kit: 12 V compressor and tire sealant                                               | Wireless App-Connect display and control, via the vehicle's touchscreen, of content, functions and compatible applications present on the Smartphone (compatible with Apple CarPlay and Android Auto systems) |

Fabric upholstery

Sign Assist: traffic sign recognition and display on Digital Cockpit and radio navigation system screen

Adaptive Cruise Control (ACC) with speed limiter uses a radar sensor to detect vehicles ahead within the system's limits, and maintains distance by applying the brakes and gas pedal (active regulation, from 30 to 210 km/h). The driver can set the desired distance from other motorists.

Driver and passenger front airbags (passenger airbag deactivatable)

Park Pilot - front and rear parking assistance

Black roof rails

65% tinted rear windows and rear windscreen

100% LED headlamps (headlamps, front daytime running lights, rear lights)

Interior rearview mirror with automatic day/night adjustment

Fatigue Detection: a driver fatigue detection system that analyzes the driver's behavior and recommends a rest period by displaying a visual and audible alert

Plain paintwork

Front Assist Perimeter monitoring system with emergency braking functions in urban areas and pedestrian detection. Contributing to collision prevention, this system automatically brakes the vehicle when an obstacle is detected, both in urban areas and on highways. The system first prepares the emergency braking assistance and prompts the driver to brake themselves with a visual and audible warning and a short brake pulse.

Metallic paintwork

Keyless GO" keyless start system

16" Zurich light alloy wheels

DAB+ digital radio reception

Voice control (IDA) with electronic voice amplifier

Front and rear center armrest

2 USB-C interfaces at the front and 2 USB-C charging sockets behind the armrest for rear passengers

ISOFIX lashing lugs (for attaching 2 child seats to the rear bench seat)

Air Care Climatronic" 3-zone air conditioning with anti-allergen filter and rear controls

Visibility Pack: automatic headlamp activation with "Coming Home - Leaving Home" functions Rain sensor with automatic windshield wiper
